

Part 1 (conductor)

Procedure 1: start the timer for 2 minutes cueing the non conductors in

Procedure 2: at 20 seconds to the end of the 2 minute duration set in Procedure 1, point at and look into the eyes of 2+ random non conductors

Procedure 3: cue the rest of the non conductors off and restart the timer for 2 minutes

Part 2 (non conductor)

Procedure 1: when the conductor cues you in begin to incessantly ask the conductor out

Procedure 2

: if the conductor points at you keep asking the conductor out

(the conductor will most likely look you in the eye when they point at you)

; if the conductor did not point at you then stop asking the conductor out

(the conductor will most likely cue you off)
