

Wait, flip aside a steam settle spot

so singingly, swindle my swollen sole

ill sit on on your but but I won't fondle your lying first lurk number

have my mans lurched in a prepaid spree

actually, if you turn, Ill wait

gas it

have what my mama once was proud of in a damnit leet, I let two window panes crash as they fell down to close always

same look in a point, point be pane, pane in a flicker of an eye that died first before this guy just

oh, but wait, I actually found out that the athlete bones stiffen, their marrow found new flocks in bees spurs that spurred me up in a bed of sperm

spread open with a have that atrophied a gradually waiting et that et in tel sol icid

find way in a hit one that flew from left to right in a large swoop that pinned my swerving old cats nail to curl into his skin. pinching and then possibly penetrating his

paw fat, let that athlete nowadays but window pays same , believe you I want, like a horror erst that systems sent edits to an bird that lurked in fasting sacks

of muscle that gradually hit you with a long wait

I feel like I am swooling into a means, one that first ate an S too big for a many

once, I ignored this amount of passings that amorphously, portentously, sensuously thrust a pulsing something flattened onto a table that had marks of stains

not stains, but Mark's of stains, or Mark's stains? what am I avoiding as an artist, the protagonist or a devoid of, a world of: this?

a girl has farted, on too many first dates an Enjoy spoils

all is and I

all is like I

I like need to I'm about to

im about to feel feel feel a need a a need aaa few more needs of pockets that stool that stooled that bent down and spooled that pockets sat up and straightened their hunched backs

in front of an eb

and this eb took sockets for his own chairs! 1 chair , and then another chair, and then another morphed socket into a chair ! and this time the chair kind of looked like a couch, one that

asked "I'm devoid of this world, am I" a girl has farted and I feel that I am closer to her on this first date, this date that enjoys a camera stand,
