

Tuck pluck puss and turn aloud
Flock in piles and torn did twirl ex
Plored severs. File stooth s with morn
Before me. Feam read toiled or bux
In right, "Bucks with ox now"
A natural flop from solipsism to a bent banana that made him grunt, hungry

And untoiled though wanting to toil the
unfettered though wanting to be tethered..
By ohio's uninhibited exclams of songs sang only to them, dominating yellow
Feathers of weighted coughs into your nostril,
Wet pronunciations of mundane tasks spoke
Unto your head.

An effigy of a tail turning in the twilight wind the twilight turning wind tail the tail turning wind
tail wind tail turning turning wind tail turning wind tail wind tail. Turning wind wind tail. Spoil loud and sever
